2. More Marine is authorised to amend these Conditions. These amendments take effect at the time stipulated for their operation to commence. If no commencement date is announced, the amendments enter into effect for the Buyer as soon as the Buyer has been informed of the amendment.
3. If any provision of these Conditions is rendered null and void or annulled, the remaining provisions of these general Conditions will remain entirely effective and More Marine and the Buyer will consult each other in order to agree new provisions to replace the null and void and/or annulled provisions, where, insofar as possible, the aim and the scope of the null and void or annulled provision(s) are observed.

4. More Marine will observe the delivery terms to the best of its ability. However, delays in delivery, for whatever reason, does not give the Buyer the right to cancel the order and/or dissolve the Agreement and/or claim for damages.

The loss or damage of one or more packages must be clearly stated on the waybill, and a signature must be given only for the quantity of packages received. This can be requested even after the order has already been confirmed. If the Buyer does not satisfy that requirement within the prescribed time, More Marine is entitled to dissolve the Agreement without legal intervention and without obligation to compensation for damages.

12. Non-fulfilment of payment obligations

1. If payment is not made on time, the Buyer is considered to be in default, as defined in Article 6:83, under a), of the Dutch Civil Code. Therefore, no further notice of default is required. The Buyer will be subject to commercial interest from the due date of the invoice up to and including the day of full payment.
2. All costs, therefore judicial and extrajudicial costs, incurred by More Marine as a result of late payment by the Buyer, including the fees of third parties engaged by More Marine for recovering the debt, are at the Buyer's expense.

13. Retention of title and risk

1. Products supplied by More Marine remain the property of More Marine until all claims, for whatever reason, against the Buyer have been met by the Buyer, including collection costs and interest.
2. The Buyer is not entitled to issue or transfer the title of Products, even after preparation and processing, to a third party before ownership has been transferred to the Buyer, except where the issue or transfer takes place in the normal course of carrying out the Buyer's business activities.
3. The Buyer is obliged at the first request of More Marine to (i) insure and keep insured Products delivered under retention of title against fire, explosions, water damage and theft and to provide the insurance policy immediately for inspection and (ii) identify the Products delivered under retention of title as the property of More Marine and to provide photographs, or other evidence, of the exact location of the Products.
4. The Buyer should also inform More Marine as soon as it known that a third party intends to establish some right to the Products supplied under retention of title.
5. If the Buyer is in default with regard to the performances as defined in paragraph 1, More Marine is entitled to retrieve the Products that belong to it from the place they are located. More Marine will be entitled to unhindered access to Products delivered or yet to be delivered. The Buyer will give all cooperation to More Marine in order to provide More Marine the opportunity to execute the retention of title, pursuant to paragraph 1, by taking back Products delivered or yet to be delivered, including disassembly where necessary at the Buyer's expenses.

2. All claims and guarantees, as defined in paragraph 1, lapse if the Products are not stored and/or used by the Buyer in the appropriate manner or in accordance with the instructions accompanying the Products, insofar as they exist.
3. If the Buyer fails to comply, or does not comply fully or in a timely manner, with any obligation arising from the Agreement with More Marine or with a related Agreement, More Marine is not bound to any guarantee - however named - in these Agreements.

recalling the Product, the selling price is repaid with a maximum of EUR 50.000,-. This liability is valid for 1 year after delivery of the product.

2. Repairs during the Product's guarantee period do not extend the guarantee period.

3. More Marine is not responsible for any damage, in whatever form and whether direct or indirect, that is or could be the consequence of improperly using the Product, that is to say the Product was used for a purpose other than that for which it is intended.

4. If the Buyer wishes to use a certain Product for a purpose different to the one intended, as defined in paragraph 3, it will be entirely at the Buyer's expense and risk. The Buyer is, therefore, entirely responsible for (among others things) evaluating (by means of obtaining professional technical advice) whether the Product is suitable for the intended improper use. In such cases, More Marine will not supply any advice, technical or otherwise, as to whether the Product is suitable for such improper use, and the Buyer cannot and may not attach any value to the comments of employees of More Marine in answering questions relating to the above-mentioned context.

5. If the Buyer, having judged that a Product is suitable for the improper use intended by the Buyer, pursuant to paragraph 4, engages More Marine to adapt the Product in accordance with the Buyer's wishes, the Buyer must first issue clear, specific, technical and/or assembly instructions to More Marine. More Marine is not liable for any direct or indirect damage as a result of the Buyer's improper constructions.

6. No liability is given with respect to inspections carried out by or on the instructions of More Marine, including advice, service, and similar activities.

16. Claims

1. Upon receipt, the Buyer is obliged to inspect the Product immediately for any defects.

2. Claims must be submitted in writing to More Marine no later than 8 days after delivery. Failure to do so indicates that the Buyer has accepted the delivered Product.

17. Force majeure

In the event of circumstances beyond More Marine's control, pursuant to Article 6:75 of the Dutch Civil Code, the implementation of the Agreement is suspended for as long as the force majeure situation makes performance by More Marine impossible, this without prejudice to the right of More Marine to dissolve the Agreement without legal intervention, in which case the Buyer is obliged only to pay reasonable compensation for work already performed.

18. Dissolution

1. Notwithstanding the provisions in Clause 11 of these Conditions, the Agreement is dissolved legally and without legal intervention by means of a written declaration by More Marine if the Buyer is declared bankrupt, applies for provisional suspension of payments, whether by attachment (garnishment) or under guardianship order or otherwise loses the authority to dispose of its assets or part thereof.

2. In the event of dissolution, pursuant to the previous paragraph, any outstanding claims on both sides are immediately due and payable. The Buyer is responsible for any loss suffered by More Marine, including incurred costs and loss of profits.
