SUPER BRAID-ON-BRAID

This 100% Polyester range of ropes designed for sheet and halyard use has superb durability and continues to be the first choice for cruising yachtsmen. Pre-stretched, non-kinking and flexible in all conditions, Braid-On-Braid is easily spliced and works well with deck hardware. Braid-On-Braid is available in a full range of white with flecks or a range of vibrant solid colours.

Feature and Benefits

- Good strength • Low stretch • Easy to splice
- Flexible and easy to handle
- Good performance in running gear
